Little Willie has ten fingers
On his hands today.
Ah, what appetitious fingers
When we should be gay.
For a question grin, uncanny,
Pills the soul with sorrow;
Can he hold up just as many
When we're through the morrow?

Charlie Clarke, 14 barges.
Rover, 14 barges.
Stella Moren, 14 barges.

This makes the total shipment by the Monongahela River Coal Company on the present water 81 boats and 160 barges. Besides these, the People's Coal Company shipped the G. W. Very Remarkable Cure of Diarrhoea.

"About 3 years ago for the first time in my life I had a sudden and severe attack of diarrhoea," says Mrs. Alice Miller of Morgan, Texas. "I got temporary relief, but it came back again and again, and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physicians' prescriptions and treatment without avail. Finally we moved to Hosque county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The case was so similar to my own that I concluded to try the remedy. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine, costing but a few cents, cured me." For sale by J. Jas. Wood & Son, Druggists.

PLENTY OF IT.

Lots More Proof Like This, and It Is All From Maysville People.

"The proof of the pudding is in the eating of it." If any city or town in the Union has sufficient proof on the following subject it is Maysville. Genuine merit is finding its reward in the hearty endorsement of local citizens. When people right here at home, friends and neighbors of our readers, give a statement like the following for publication it is proof convincing for the most skeptical. Read this testimony:

Mr. A. W. McClanahan of 119 West Second street says:

"The use in my case fully demonstrated the value of Doan's Kidney Pills. I suffered more or less from kidney trouble for twenty years steadily becoming more persistent as time passed on. My attention was called to Doan's Kidney Pills and I got a box at J. James Wood & Son's drugstore, corner of West Second and Market streets. The treatment so greatly benefited me that my only regret is that I did not know of this valuable remedy years ago, for had such been the case I would have been saved much suffering."

For sale by all dealers. Price 50c. Mailed by FOSTER-MILBURN CO., Buffalo, N. Y.

BLUFFS THE MEN.

Attempt to Release a Fleming County Murderer a Signal Failure.

Friends of William J. Thacker tried to release him from the Fleming County Jail Tuesday night.

Three men drove to the Jail, awoke Jailer Morris and told him they were officers with a prisoner.

When the Jailer opened the door he was seized by the men, but was prepared for them, poking a revolver in their faces and telling them to go. They went without delay.

The would-be rescuers were not recognized but they are supposed to be from Lewis county, Thacker's old home. The prisoner evidently expected them, for he was up and fully dressed.

Thacker is charged with the murder of William Gordon. He has had two trials and given a life sentence each time, and will be tried again at the next term of the Fleming Circuit Court. This is the second attempt made for his release.

CLOTHING TALK! s s s s

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.

OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours.
